

Equality and Diversity Reporting

Are you concerned about fully meeting your equality and diversity legal and mandated obligations?

Do you need to know you are getting it right? Ensure that you understand Equality Law and the reports you need to produce, what they need to include and when you need to publish them.

Protect your organisational reputation

- ▶ Be confident your legal and mandated duties are being fully met
- ▶ Select the specific support you require from a suite of products
- ▶ Benefit from being supported by a large team of skilled and experienced practitioners
- ▶ Understand and reduce the risks associated with uninformed decision-making
- ▶ Release your time to focus on leadership and corporate development.

What makes us great

- ▶ A team of specialists with extensive experience of the pragmatic application of Equality Law
- ▶ Flexible consultancy support tailored to your needs and requirements
- ▶ A proven track record of delivering support to a variety of organisations
- ▶ Innovative and proven methodologies to deliver efficiently and collaboratively
- ▶ We are an NHS organisation committed to public service values.

What's included

- ▶ A choice from our suite of legal and mandated products
- ▶ Products specifically designed to meet your legal and mandated duties
- ▶ Strategic support and guidance
- ▶ Engaging reports, presentations and training that generate buy-in.
